Stop Selfishness From Ruining Your Relationship. "Sometimes sex can be for one person and sometimes for the other," she says. "It doesn't always have to be both of you about all the time." Give your partner some extra attention sometimes, and don't feel selfish for asking for a bit more other times.

Relationship Rules Healthy Couples Break | Reader's Digest

Rule: Be trustworthy, even when it hurts iStock/geber86 Make no mistake—honesty is essential in a relationship. If you do must convey up an subject, just remember to say it gently as a substitute of bluntly letting out your harsh complaints. "The best relationships are absolutely honest with each other, but not brutal," says Feldhahn.
