A Students Guide To History

The main problem as I see it, is not history itself. The study of history can be fun. But there's only one thing that can make our first experience with history a miserable thing indeed: and that's a poor instructor.

Lesbian, gay, bisexual, and transgender (LGBT) students face discrimination and harassment at school all too often. Unfortunately, many school officials know very little about how the law requires them to protect LGBT students. And sometimes they do know that they're breaking the law, but they think that students won't question their actions.
