Adge King Of The Wurzels

Name. The name of the band was dreamt up by founder Adge Cutler. It appears to be short for mangelwurzel, a crop grown to feed livestock, and wurzel is also sometimes used in the UK (perhaps only as a result of the band's name) as a synonym for yokel.. The Wurzels' particular "genre" of music was named Scrumpy and Western after the group's first EP of the same name, issued early in 1967.
