- birch wood scrapbook paper - modge podge or decoupage glue - spackling - craft paint (tan, white, black) I looked for glasses that had straight sides so that the shape would be easily covered by paper and would mimic the look of a section of wood. The birch scrapbook paper was found at a local craft store.

Rated 1 out of 5 by KP22 from Not as pictured The pictured roll is light colored birch, but what I received is uniformly brown, with lots of loose pieces. It resembles shredded craft paper. Some areas of the jute are not even covered, and the entire roll is shedding. I am extremely disappointed and am returning the item.
