Reproduction of a technical drawing, specially the one used in construction industry. Its name refers to the older method of making large prints (called Diazo process) in which lines are shown in white on a blue background. Modern plotters can print multicolor lines on a background of any color.

### **blueprint - Online Business Dictionary**

Blue Print brings together a fantastic collection of studios and designers that are producing a print show by themselves for their clients. The boutique type feel of the show, and the fun friendly atmosphere has been maintained even though the number of Exhibitors has grown year by year.

### **Blueprint**

A blueprint is a guide for making something — it's a design or pattern that can be followed. Want to build the best tree house ever? Draw up a blueprint and follow the design carefully.

### **blueprint - Dictionary Definition : Vocabulary.com**
