Our History. The beginnings - Gesundheit's 'nasal diplomacy' began when Patch led a group of volunteer clowns to the Soviet Union in 1985. The fundamentals of Gesundheit medical clowning and the structure of clown missions were developed in the annual Russia trip (now in it's 30 th year). What began with bedside clowning in hospitals expanded to include missions to orphanages ...

"1929: The Stop of the Silents" As sound began to invade Hollywood studios in the late 1920s, the still young medium of motion pictures had reached an apex. The language of pictorial storytelling, sans recorded sound, had fully developed into something rather glorious, with those, both in front of and behind the camera, all at the height of their artistic and creative powers.

First off, apologies to all with coulrophobia (the fear of clowns) - this list is entirely dedicated to the subject. I am neither a fan nor afraid of clowns, but there is something about the concept which I find strangely unsettling. Even the happiest clowns seem to have something not quite right beneath the surface. Perhaps this is the reason that so many people are afraid of them.
