Classical Japanese Literature

Early works of Japanese literature were heavily influenced by cultural contact with China and Chinese literature, often written in Classical Chinese. Indian literature also had an influence through the separation of Buddhism in Japan. Eventually, Japanese literature developed into a separate style, although the influence of Chinese literature and Classical Chinese remained until the end of the ...

A classical language is a language with a literature that is classical. According to UC Berkeley linguist George L. Hart, "it should be ancient, it should be an independent tradition that arose mostly on its own, not as an offshoot of another tradition, and it must have a large and extremely rich body of ancient literature.". Classical languages are typically dead languages, or show a high ...
