Thank you very much! And sure, I'll do my best, although I think studying depends wildly from person to person—for example, many of the grad schools I'm applying for explicitly state they don't consider your math score, so I didn't spend much time prepping for that.

### **gre prep on Tumblr**

This one's a twofer. ETS published these two new books in 2014, and boy are we glad they did (they've been updated for 2017). The Verbal book contains tons of new questions, written by the makers of the GRE. The strategies are nothing new (you can learn all of those from this blog), but this book is a must-buy, if only for the quality of its practice questions.
