Ten Critical Success Factors for CRM: Lessons Learned from ...

Each CSF should be measurable and associated with a target goal. You don't need exact measures to manage. Primary measures that should be listed include critical success levels (such as number of transactions per month) or, in cases where specific measurements are more difficult, general goals should be specified (such as moving up in an industry customer service survey).

How to write a Critical Success Factor CSF - Business ...

This paper presents a novel taxonomy of the critical success factors in enterprise resource planning (ERP) implementation process. ERP benefits cannot be fully realised unless a strong alignment and reconciliation mechanism is established between technical and organisational imperatives based on the principles of process orientation.
