I was called by this number, i think he said he was from insurance claim company I took him from his script, and he got well confused. Most of these calls are scripted, and I find the best thing to do is ask them something that wont be scripted. that really gets to them as they are told they MUST run to the script.

My worst experiences in the professional world all share one thing in common: I reported to a female boss. Talk to most guys (and, frankly, normal women) and they will say the same thing—working for a female boss, or in an environment composed of mostly women, is a descent into an endless abyss of back-biting, passive-aggressiveness, lies, envy, intrigue, subterfuge, manipulation, and drama.
