The Year-at-a-Glance (YAG) is a document that informs parents and students of the recommended pacing and content standards for selected courses. It includes the topics to be taught week by week each quarter and a list of instructional resources. The YAG is only a recommended pacing guide; school leaders and teachers make the final decision regarding the pacing of any program of study.

The curriculum blueprints are a guide for instruction. In order to ensure students have been exposed to all grade level content, there is a suggested time frame for unit completion. This timeline may be adjusted based on school data. The blueprints also contain a guide to essential content and understanding within the unit and objectives.
