Besides the biblical five books of Moses (Pentateuch), there are other writings ascribed to Moses (pseudepigraphically no doubt). The so-called Sixth and Seventh books of Moses in particular consists of a collection of texts which purport to explain the magic whereby Moses won the biblical magic contest with the Egyptian priest-magicians, parted the Red Sea, and other miraculous feats.

Rated 5 out of 5 by LikeAGoodStory from Truly a 5 Star Game This is my first Dark Parables game and I am delighted it is a series! The storyline is superb, detailed but not boring, and as the title of the series indicates, not your usual parable. As others have commented, the FROGS are a delight, and I would love to see more of these.
