Co-Operative Industries Aerospace & Defense (CIA&D) provides electrical wiring harness manufacturing and support services. Our customer-oriented team offers extensive experience when it comes to unique electrical harness, cable, and interconnect solutions.

### **Electrical Wiring Harness Manufacture and Repair Services ...**

Schleuniger's high performance automatic cut & strip machines accurately process single conductor wire, multi-conductor cable, shielded cable, coax cable, flat ribbon cable, glass optical fiber (GOF) cable, and plastic optical fiber (POF) cable.

### **High performance wire and cable cut and strip machines**

We manufacture cable harnesses for a wide variety of industrial machinery, including communication and signal cables, various types of camera cables as well as cables for industrial robots.

### **DENSO Industry - A Leading Manufacturer of Wiring Harness**

Minnesota Wire has been engineering and manufacturing custom solutions for complex cable assemblies since 1968. We are a full-service development and manufacturing house for wire, cable, harness, and interconnect assemblies.

### **Manufacturer of Wire, Cable and Interconnect Assemblies ...**

Custom Components & Assemblies Built To Your Specifications. Since 1988, Repro Parts, Inc. has provided custom made to specification components and assemblies from prototype through production.

A wide variety of sensors are in common use today, including photoelectric, optical, magnetic, infrared (IR), ultrasonic, retroreflective, and accelerometers. The vast number of sensors found in high-volume or cost-sensitive applications, such as consumer and some commercial uses, are soldered directly to a PCB. Sensors may also be connected to discrete wire or cable that is terminated to a ...
