To receive the IB designation for the class, all required components must be completed. These include completing all the IB Biology HL 1 requirements, completing at least the minimum number of laboratory hours, completing an IA (Independent Assessment) Lab, sitting for Papers 1, 2 & 3 (Students whose exams will not be scored by IB will still sit for the exam and it will be internally moderated).

The IB uses a criterion based approach to assessment. This means that students work is judged against identified levels of attainment and not against the work of other students. At the grade

award meeting which takes place once all the papers have been marked levels of attainment, in the form of grade boundaries are agreed. There is consideration of the difficulty of the exams and the ...

Alexandra. Dear Mr Horrocks, I just wanted to thank you for sharing this content. It has been very helpful to me as an IB Biology HL student. However, I was wondering if you could add the download option for the Topic 3 (genetics) WS, as it is currently unavailable.

### **Mr Horrocks' Biology - IB Revision Resources**

This investigation may involve a hands-on approach, use of data-bases, modelling, simulation or a hybrid. Student work is internally assessed by the teacher and externally moderated by the IB. The external assessment of biology consists of three written papers. In paper 1 there are 30 (at SL) or 40 (at HL) multiple-choice questions.

IB students are evaluated externally, two ways. One way is through the internal assessment lab report, which accounts for 20% of the overall IB score. The second way is through the external assessment, which consists of three papers or exams. Each paper has a different format and content by which you are evaluated.
