About inspections and reviews - Education Scotland

Where does information literacy fit within the schools sector? School librarians have had an interest in Information Literacy for many decades but, in general, this has not transferred into the educational language used by teaching staff, syllabuses or the examination system in England.

Schools - Information Literacy Website

Schools. Indoor air quality (IAQ) is a concern in many schools due in part to the age and poor condition of a number of school buildings. School IAQ is particularly important as it may affect the health, performance and comfort of school staff and students.
