

Journal Of Software Engineering And Application

Journal Of Software Engineering And

The Journal of Software Engineering Research and Development is an international journal affiliated with the Sociedade Brasileira de Computação.

Journal of Software Engineering Research and Development ...

Special issue on theoretical software engineering. Linear Software Models: Bipartite Isomorphism between Laplacian Eigenvectors and Modularity Matrix Eigenvectors Iakov Exman and Rawi Sakhnini An ISM Approach for Modeling the Issues and Factors of Mobile App Development Mamta Pandey, Ratnesh Litoriya and Prateek Pandey

International Journal of Software Engineering and ...

Journal of Software Engineering and Applications (JSEA) is an openly accessible journal published monthly. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of software engineering and applications.

Journal of Software Engineering and Applications - SCIRP

PDF (331KB) American Journal of Software Engineering and Applications (AJSEA) focuses on theories, methods, and applications in software. The scope of this Journal ranges from the mechanisms through the development of principles to the application of those principles to specific environments.

American Journal of Software Engineering and Applications ...

Related Journals of Software Component: International Journal of Information technology, International Journal of Computer Science and technology, International Journal of Sensor Networks and Data Communications, Journal of Telecommunications System & Management, International Journal of Software Engineering Research and Practices, Journal of ...

Journal of Information Technology and Software Engineering ...

About IJSE The International Journal of Software Engineering (IJSE) provides a forum for archiving and disseminating state-of-the-art and state-of-the-practice in all areas of software engineering. IJSE is a biannual referred journal published by Software Engineering Competence Center (SECC) of Information Technology Industry Development Agency (ITIDA).

IJSE | International Journal of Software Engineering

International Journal of Computer & Software Engineering. Computer & Software Engineering is an interdisciplinary field in engineering which integrates several fields of computer science and electrical engineering required to develop software and computer hardware systems for the benefit of society.
