### **Little Bee Chris Cleave**

The writing of Chris Cleave is lyrical, descriptive, humorous and memorable. It flows in the narrative and carries the reader easily through the story. That moves this from a 3 star to a 4 star book for me. The story of Little Bee is a harsh and sad one.

### **Little Bee by Chris Cleave - Goodreads**

Dear Chris Cleave just finished Little Bee and liked it a lot – especially its humor and tenderness in the face of tragedy. It was never moralistic but showed how the characters felt and what motivated them instead. I wish I could tell a story the way you do.
