Educator Voices: Where the Art of Teaching Meets the Science of Learning. In a continually changing landscape, teachers endure by adapting, improving, and overcoming challenges, all in an effort to encourage and inspire future generations. It is this blend—the art of teaching coupled with the science of learning—that we seek to encourage, foster, and celebrate.

AbeBooks.com: The Art of Retailing: Organised retailing, while still in its infancy in India, has shown remarkable growth over the past few years and is most definitely poised to become one of the largest sectors in the country. Industry estimates put the figures at a staggering \$36 billion in the next 10 years. During this gestation period, much experimentation and learning is taking place.
