Memorex MVD2042 Manuals and User Guides, DVD Player ...

- If you use the DVD player in such a situation, it may damage discs and internal parts. Remove the disc, connect the power cord of the DVD player to the wall outlet, turn on the DVD player and leave it "ON" for two or three hours. After two or three hours, the DVD player will have warmed up and evaporated any moisture.

I used this DVD player maybe 10 times and then it just quit working! I didn't do anything to it to

cause this to happen either, it just wouldn't do anything and was "dead." I will never buy a Memorex product again. I called Memorex and they just said they won't do anything about it since it was past 90 days. I suggest you not buy this product.
