Numerical Analysis, 9th Edition by Richard L. Burden

Numerical Analysis, Ninth Edition, by Burden and Faires contains exercises that have been worked out in detail for all the techniques discussed in the book. Particular attention was paid to ensure that the exercises included in the Student Solutions Manual are those requiring insight into the theory and methods discussed in the book. Although answers ...

Numerical Analysis - 9th edition - Textbooks.com

In the spring 2013, I used the textbook "Numerical Analysis" (9th Edition) by Burden and Faires. I think the students liked the book because the algorithms for the numerical methods were easy enough to understand and implement as well as the examples were explained clearly and served as great validations for their code.
