### **Pheromone Kid**

Pheromone by Marilyn Miglin came out in 1978, the same year as Magie Noire and the unusual Mystere de Rochas. To my nose, Pheromone has the same DNA as quite a few other fragrances of the 60s and 70s that were of the same bitter "hyacinth green" type: Perfumes like original Norell, Fidji, Masumi, Charlie, Mink & Pearls...

Matthew (Garret Dillahunt) was a lobbyist in the Collier organization who advises Shawn after Jordan Collier's death. Matthew ran the day-to-day business of the 4400 Center and it is hinted Collier gave him specific instructions of what to do. Early episodes in the third season suggested that Matthew knew more about the 4400 and Jordan Collier's assassination than he had revealed.

They have even been known to smell cancer on people, alerting them to it and saving their lives. This means when your dog smells another person, tree that another dog has peed on, pant leg that another dog has rubbed up against, or chair that someone has sat in, they are actually reading a story, not just smelling an interesting scent.
