A catamorphism is a general abstraction that enables you to handle multiple values, for example in order to reduce them to a single value. This article series is part of an even larger series of articles about the relationship between design patterns and category theory. In another article series in this big series of articles, you learned about functors, applicatives, and other types of data ...

Part 1 of the Beginning And End Nephilim Series. In our original article on the Nephilim, we detailed the Biblical origin of the half-angelic, half-human hybrid giants, known as Nephilim, who were the product of illicit relations between evil fallen angels and human women in the time before the Flood and Noah's Ark. The flood wiped out the giants but shortly after the flood they returned and ...
