The Book On Estimating Rehab

"I have used many rehab calculators to assist in analyzing potential rehab projects, but the BiggerPockets calculator tops them all. It is a hybrid calculator / report generator which not only calculates the important numbers every investor needs; it also generates a report that is perfect to show lenders, partners or investors.

@Erin Silva I created a spreadsheet based product that may offer you another option (also a tablet version). Similar to what's included in this post but comes preloaded with costs and requires only minimal measuring. I found it really time consuming to measure for every single repair in a house so automated calcs as much as I could based on room sizes.
