You may be the most “put together” and “with it” person for miles around, But that doesn’t mean you don’t need some self care. It probably means you are already, giving yourself your needed self care and that is why you are so able to project so much awesomeness every day.

77 Self-Care Quotes to Remind You to Take Care of Yourself

Busy working moms need all the help they can get when it comes to #self-care. You know it should be a priority, but with your job, school drop-offs, recitals, cooking and other responsibilities, the family's needs always seem to come before our own much-needed personal time. We asked working moms to ...

Self-Care Ideas for Working Moms | Working Mother

For specific procedures and treatments, health care providers can train individuals to administer their own self-care, on their own time, without supervision or dependence on a licensed professional. Patient-administered self-care can occur either in traditional health care facilities or another location of the patient's choosing outside of a facility.
