Working with people who seem “unmotivated”, “resistant”, and “stubborn” can stump experienced fitness pros and newbie coaches alike. Instead of throwing your hands up, here are eight strategies for dealing with the most common coaching challenges, including difficult clients.

### **8 Powerful Strategies For Working With Difficult Clients ...**

Recently, I have been hearing from many parents concerned about their 17-21 year old sons. “Joe doesn’t seem to be motivated to complete his college applications!” his mom complained. Bill, in this second year of college, has no clue what to major in. Tom, finished up community college last summer. He has no idea what he wants to do. Max finished college last summer—living at home, his ...

As parents, many of us do things for our kids that we were able and expected to do for ourselves when we were children. Our parents didn’t often feel the need to negotiate with our sports coach, solve our every problem, or entertain us in our free time. A big difference from today, when all too ...

Exercise is also a great way to calm the nervous system and to teach physical self-control. Team sports that require advanced skill and social interactions probably aren’t a good idea, but depending on your child’s age, skills, and fears, going to the gym or the pool, rolling a ball across the floor, or heading out for a family walk or run can help reduce stress and feed sensory needs.
