Cultural entropy is the level of dysfunction in an organization that is created as a result of fear-driven energy. Fear-based actions arise from both conscious and subconscious beliefs that a community or a group of people harbour about themselves.

### **What is Cultural Entropy | SmartMinds**

Recruitment refers to the overall process of attracting, shortlisting, selecting and appointing suitable candidates for jobs (either permanent or temporary) within an organization. Recruitment can also refer to processes involved in choosing individuals for unpaid roles. Managers, human resource generalists and recruitment specialists may be tasked with carrying out recruitment, but in some ...
