What Is 360 Degree Feedback The Employee Evaluation Tool

What Is 360 Degree Feedback

A 360-degree feedback (also known as multi-rater feedback, multi source feedback, or multi source assessment) is a process through which feedback from an employee's subordinates, colleagues, and supervisor(s), as well as a self-evaluation by the employee themselves is gathered.Such feedback can also include, when relevant, feedback from external sources who interact with the employee, such as ...

360-degree feedback - Wikipedia

Organizations can do a poor job of introducing and using this type of multi-rater process, but it is possible, with the right steps, to do a good job of introducing and maximizing the value of 360-degree feedback.This matters because nothing raises hackles as fiercely as a change in performance feedback methods, especially when they may affect decisions about an employee's compensation.

360 Degree Feedback: The Good, the Bad, and the Ugly

What is 360 degree feedback? In business organisational development, 360-degree feedback, also known as "multi-rater feedback," "multisource feedback," or "multisource assessment," is feedback that comes from all around an employee. "360" refers to the 360 degrees in a circle, with an individual figuratively in the centre of the circle.
