Karma Q & A, compiled by Ṭhānissaro Bhikkhu. (revised Dec. 15, 2018) Karma and rebirth are often understood to be teachings of fate and helplessness in the face of unknowable influences from the past. Instead of teaching fate, The Buddha's teachings on karma and rebirth are empowering, showing how people can develop skills in the present that will lead to the end of suffering.

We take for it granted that we can fly from one side of the world to the other in a matter of hours, but a century ago this amazing ability to race through the air had only just been discovered. What would the Wright brothers—the pioneers of powered flight—make of an age in which something like 100,000 planes take to the sky each day in the United States alone?
