An Amazon Best Book of January 2019: As the third book opens in Arden's fantasy trilogy set in medieval Russia, Moscow is burning. Vasya is one of the few who can still see and speak with the old spirits who guard the hearth, calm horses, or lure unwary travelers into bogs, but her impatience and sense of invincibility has led to this disaster.

About the Book. Set in New York at the beginning and the end of the twentieth century, Winter's Tale unfolds with such great narrative force and beauty that a reader can feel that its world is more real than his own. Standing alone on the page before the book begins are the words, I have been to another world, and come back. Listen to me.
